

## NEIGHBORHOOD RESTAURANT GUIDE (Spring 2014)

This guide is not a comprehensive listing, but a selection of popular eateries of various cuisine and prices located within reasonable distance of EWC. To find more restaurants close to the University of Hawaii please visit the following website listed below, <http://www.urbanspoon.com/n/37/3618/Hawaii/Manoa-Makiki-University-District-restaurants>  
Restaurants are arranged by cuisine.

**Call restaurants for hours and additional information, hours are subject to change.** As a general rule, a tip (gratuity) of about 15% of your total meal is customary if a server brings your meal to your table. Some restaurants add a 10 to 18% service charge to the bill of a large party, in which case a tip is not expected. If each person is paying for his/her own meal, ask for "separate checks".

Abbreviations: BYOS - bring your own spirits (alcoholic beverages); RR - reservations recommended.

\$= Under \$10      \$\$=\$10-\$20      \$\$\$=\$20+
